Mirthahalli It consists of 204 acres 10 guntas, and assessed at Rs 476-8-0 with a jodi of Rs-252-

One Bigamudre Mariachar, who was a private vrittidar in the village, was also originally the ~~lessee~~ lessee of the Matt's share of the inam lands. He had also paid a sum of Rs 1500/- to the matt Swamigalu as security for the fulfilment of the lease, and, after deducting Rs 120 as interest due thereon and also meeting the expenditure in the matt at Mirthahalli, he was paying a gutta of Rs 45/- on the Matt lands. As he however admitted that these lands yielded an annual income of Rs 405 odd, the Govt in their Pro: No 2715-7 Mwst 57-92, dated 21st Nov: 1906, directed that the lease might be continued to him if he paid a gutta of Rs 405/-, and that if he did not agree to it, the lease might be sold by public auction The question of the repayment of the security amount or of the interest accruing thereon, ~~regarded~~ Mariyachar was informed, would be separately decided on the documents to be produced by him in that behalf.

Mariyachar did not agree to the enhanced gutta. The lease was accordingly put up to auction and one Dussanna, ~~alias~~ B bin Ranganna, having offered the highest gutta of Rs 400/- (inclusive of Rs 69-9-0 payable to Govt on account of quit rent and cess, but exclusive of the usual gutta payable

to Brahmadaya vrittidars), his offer was accepted by Govt in their Pro no 5760, dated 4th may 1907, and the lease granted thereon for a period of 10 yrs The Deputy Commissioner reports that Dugganna refuses to pay Rs 172-3-6 due to Govt on the Brahmadaya portion on the ground that "the sutta to Brahmadaya vrittidars" does not include the jodi and cess due to Govt. The Deputy Commissioner however thinks that it is only reasonable to include the jodi & cess in the sutta payable to the Brahmadaya vrittidars, that the permanent Dy Commissioner Mr. M Narasimha also thought likewise and that the former lessee Manaiyan was also paying the jodi and cess in addn to the sutta in cash and kind payable to the Brahmadaya vrittidars. The Deputy Commissioner further says that he has therefore issued orders to the Amildar to resell the right of cultivating the lands, this year after recovering from Dugganna whatever amount is due from him up to date, and also to make it a clear condition of the re-sale that the purchaser will make no distinction between Brahmadaya and Devadaya and pay the sutta to Govt who will apportion the Brahmadaya and Devadaya shares in the ratio of 76:74 which is the proportion in which the Brahmadaya and Devadaya interests exist in the lands which consist of 150 Bijavari Khandris of paddy in the aggregate. Sir,

Adverting to correspondence ending with Government Proceedings No. 5160, — dated 4th March 1907, re the leasing out the village of Salegingal in the Shikarpur Taluk belonging to the Sri Sosle Vyasa Raya Swami Mutt conjointly with — certain Brahmadaya Vrittidars, I have the honor to state that Duggamma wife Ramanna who purchased the right of cultivating the lands on condition of paying the usual gutta payable to the Brahmadaya Vrittidars in addition

to.

to paying Rs 400/- for Devadaya, refused to pay the jodi and cess amounting to Rs 172-3-6 due to Government, on account of the Brahmadaya portion; and this fact having been reported to this Office, it was ordered by Mr. M. Narain Rao on 30th May 1908 that Duggamma was bound to pay the jodi and cess on the Brahmadaya portion, interpreting that the term "usual gutta payable to the Brahmadaya Vrittidars" meant not only the gutta in kind and cash due to the Vrittidars, but also the jodi and cess due to Government on the Brahmadaya portion of the lands.

2. This order is, no doubt, quite reasonable, as Mariachar who was formerly in possession of these lands, was incurring an expenditure of Rs 401-8-0, including the jodi and cess due to Government on the Devadaya portion as per Statement — furnished

by him and was also paying 16 7½ Khandies of paddy and Rs 34-5-7 to the Brahmadaya Vrittidars in addition to himself paying the jodi and cess on the Brahmadaya portion. Dugganna now pays only Rs 400/- for Devadaya and 16 7½ Khandies of paddy and Rs 34-5-7 to the Brahmadaya Vrittidars.

3. But Dugganna refuses to continue to hold the lands on this condition and offers to resign them. I have, therefore, issued Orders to the Amildar to resell the right of cultivating the lands after recovering from Dugganna whatever amount is due from him up to date. It will be made a clear condition of the resale that the purchaser will make no distinction between Brahmadaya and Devadaya but pay the amount of the gudda to Government, and the Government will apportion the Brahmadaya

and

and Devadaya Shares in the ratio of 76:74
which is the proportion in which the
Brahmadaya and Devadaya interests
exist in the lands which consist of
150 Bijawari Khandies of paddy in the
aggregate. The Kuttedars will then
be responsible for the jodi on the Brah-
madaya portion of the lands. Another
method of reasonable distribution of
the produce of the lands is possible
at present as the Brahmadaya and Devadaya
portions have not been separated
both I would request that such a
Separation may kindly be ordered
to be effected at once as difficulties
are likely to arise very often
if the present state of things continues.

Presuming that this will be accepta-
ble, I have ordered that the resale
all holdings only until the close
of

of the year in which Separation of the Brahmadaya and Devadaya portions in these lands, is effected. I request that early Orders may be passed in the matter.

I have the honor to be

Sir,

Your most obedient Servant.
